

## **Trios PPPI (Pause, Paraphrase, Pause, Inquire)**

### Information Processing: Exploring and Discovering

#### PROCESS

- Letter people off as A, B, and C.
- Each reads a section of text.
- A paraphrases.
- B adds ideas.
- C pauses and paraphrases; B pauses and inquires.
- Repeat the pattern, alternating roles.

#### ALTERNATIVES

- A can share a key idea, B can pause and paraphrase, C can pause and inquire.

#### TIPS

- It might be helpful to review productive areas for inquiry, such as personal meaning, values, goals, consequences, examples, counter examples, and applications.
