

Yellow Light

Facilitator Moves

PROCESS

- Stop the group and gain attention.
- Indicate how many minutes are left in the activity.

ALTERNATIVES

- Use Show, Don't Say instead of verbally announcing the remaining time.
- Indicate that if groups have not started on ____ task, they should do so now, because only _____ minutes remain.
- When groups are deep at work on lengthy tasks, move to the groups silently and hold a large sign that displays the remaining minutes.

TIPS

- Use this to prepare members for transitions.
